

Chino Basin Water Conservation District's  
**LANDSCAPE WATER MANAGEMENT & PLANT CLASSES**

The California Friendly Landscape Training Course for landscape professionals is a four part series of classes that teaches the importance of landscape water management and covers the following topics:

**Irrigation Principles**  
**System Adjustment and Repair**  
**Irrigation Troubleshooting**  
**Controller Programming and Irrigation Scheduling.**

These classes are hosted by the Chino Basin Water Conservation District and professional instructors are provided by the Metropolitan Water District of Southern California.

The following is a list of Professional Landscape Companies and Local Governmental Agencies that have had their employees attend these courses.
