

# Chino Basin Water Conservation District's Residential Water Wise Workshops 2011

## Water Wise Plants & Irrigation

**Date:** Saturday, July 16<sup>th</sup>

**Time:** 9:00 am – 12:30 pm

**Description:** Attendees will learn about a variety of attractive Native and California Friendly® plants and the proper way to plant them. Plus, they will learn how to modify their irrigation systems to operate more efficiently.

## Backyard Composting (plus a free mulch giveaway)

**Date:** Saturday, August 20<sup>th</sup>

**Time:** 9:00 am – 12:30 pm

**Description:** Attendees will learn how to, and the benefits of, backyard composting and worm composting. In addition, this workshop will teach attendees about water wise gardening. Information on where to buy various style bins locally or how to make your own inexpensive bin will also be available.

## Preparation & Design & Plants

**Date:** Saturday, September 17<sup>th</sup>

**Time:** 9:00 am – 12:30 pm

**Description:** Attendees will learn how to remove their existing water guzzling grass and/or plants and take the steps to design and re-landscape the area with water wise plants. Plus, they will learn about a variety of attractive Native and California Friendly® plants.

## Water Wise Workshop – The Basics (in Spanish)

**Date:** Saturday, October 1<sup>st</sup>

**Time:** 9:00 am – 12:30 pm

**Description:** Attendees will learn basic information about efficient irrigation systems, soils, design practices, fertilizers and water wise plants.

## Landscape & Water Conservation Fair

**Date:** Saturday, October 22<sup>nd</sup>

**Time:** 9:00 am – 10:00 am – Plants

**Time:** 10:00 am – 11:00 am – Irrigation

**Description:** Attendees can come for the one hour workshops and stay for the fun-filled and educational Fair. The Fair is free and offers a good time for the entire family (the dog included).

For more information on these and other FREE workshops, visit [www.cbwcd.org](http://www.cbwcd.org) or call 909-626-2711. Residents living within the District's boundaries of Montclair, Chino and parts of Chino Hills, Rancho Cucamonga, Upland and Ontario have priority registration.

**Learn how to create your own water wise wonderland.**
