CHINO BASIN WATER CONSERVATION DISTRICT
20th ANNUAL EARTH DAY EVENT

Montclair – Chino Basin Water Conservation District (CBWCD) is hosting their 20th annual Earth Day Event on Friday, May 13, 2011 from 9:00 a.m. to 2:00 p.m. at their facility at 4594 San Bernardino Street in Montclair. Once again, fifth grade students from the cities of Chino, Montclair, Ontario, Upland and Rancho Cucamonga will be learning about water conservation and other environmental issues.

One thousand fifth graders will spend their day at various activities, such as characteristics of drought tolerant plants, worm-composting, how rivers run, and how water percolates into the Chino Basin. In addition, this year the Wyland Foundation will be showcasing their amazing 83-foot long Wyland Clear Water Mobile Learning Center. Additionally, the event will showcase over twenty exhibitors from local government organizations, water and other utility agencies, and wildlife organizations.

While this is CBWCD's 20th Annual Earth Day event, they treat every day like Earth Day by promoting water conservation and other environmental messages through their water wise demonstration garden and with their free water wise landscaping workshops. CBWCD's Board of Directors and staff are so passionate about this concept that they created their 1st Annual Every Day is Earth Day event. This FREE public event will be held on Saturday, May 14, 2011 from 9 a.m. to 2:00 p.m.

For more information on CBWCD's Earth Day Event, on CBWCD's Every Day is Earth Day Event, facility or workshops, please visit www.cbwcd.org or contact Debby Figoni at 909-626-2711 or Dfigoni@cbwcd.org.
