“A DOG DAY IN THE PARK” EVENT

Inland Empire – In honor of water awareness month, Chino Basin Water Conservation District (CBWCD) held “**A Dog Day in the Park**” Event at their facility on Saturday, May 15, 2010 from 10:00 a.m. to 2:00 p.m. Dogs of all shapes and sizes had a great time, as did their humans.

Attendees visited the various exhibitor booths (see list below), competed to be the sloppiest water drinker and best jumper, and learned more about water conservation and water pollution. The event’s goal to educate the public on pet-friendly water wise landscaping was successful with two and four-legged beings touring CBWCD’s drought tolerant demonstration garden throughout the day. The beautiful garden motivated several residents to sign up for CBWCD’s upcoming free water wise landscaping workshops.

In addition to providing fun and education, the event raised hundreds of dollars for Inland Valley Humane Society, Rancho Cucamonga Animal Care & Services and Priceless Pets. Petco, the event co-sponsor, also raised funds for pet cancer awareness month.

For more information on pet-friendly water wise gardening, poisonous plants for your pet, or CBWCD’s free water wise landscaping classes, visit www.cbwcd.org, call 909-626-2711, or CBWCD’s garden at 4594 San Bernardino Street in Montclair open to the public seven days a week from 8:00 a.m. to 5:00 p.m.
